

TENNderCARE Connection

TennCare and your child's school can work together to coordinate care when your child has an Individualized Education Program (IEP). Please complete the information below if you would like the school to work with your child's TennCare MCO.

What does TENNderCare provide?

- ★ **Free** check ups
- ★ Dental check ups and services
- ★ Medical treatment
- ★ Behavioral health services

Check In!

- ★ Check in with your child's doctor or local health department.

Check Up!

- ★ Free complete physical exam.

Check Back!

- ★ Schedule a follow-up appointment every year.

Your Child's **FREE** check up will include:

- ★ Health History
- ★ Complete Physical
- ★ Lab Tests (as appropriate)
- ★ Immunizations
- ★ Vision/Hearing Screening
- ★ Developmental/Behavioral Screening (as appropriate)
- ★ Advice on how to keep your child healthy

If your child receives Special Education services and if the services may be medically necessary covered services, your child's TennCare Health Plan (MCO) and your child's school can work together to provide services for your child.

If you would like the school to work with your child's TennCare MCO to coordinate services for your child, please complete the following and provide it to your child's school:

Full Name of Child

Date of Birth

Name of TennCare MCO

Give children the best start at a healthy life!

To schedule a check up please call your child's doctor or your local health department. If you need a ride to an appointment, call your child's health care plan or the Family Assistance Service Center at 1-866-311-4287.
